Hicks Sports Marketing Group

Hicks Sports Marketing Group (HSMG), a division of Hicks Sports Group, was created in 2006 as an entity that services clients nationally and internationally, focusing on maximizing marketing brands and developing sports marketing platforms. Utilizing Hicks Sports Group's insider expertise, HSMG's mission is to connect brands to fans.

Founded upon Thomas O. Hicks' solid foundation as one of the world's premier sports owners, HSMG is helping connect client brands to fans in bigger, more precise, more cost-effective ways.

HSMG works from the inside out for its clients. Opportunities include buying and selling advertising & sponsorships, team tie-ins, player relationships, cross-promotions, media plans, creative, promotion creation, multiple property programs, and strategic branding & marketing.

Bringing together marketers and advertising representatives from different parts of Hicks Sports Group, HSMG has the in-depth experience in both marketing and managing sporting events. Sports properties and corporations throughout the world can capitalize on HSMG's knowledge and valuable experience to provide services that most agencies and corporations cannot do.

HSMG is organized by the four disciplines in which it excels – Property Representation, Real Estate, Event Management, and Consulting.

HSMG is taking its clients' message to enthusiastic sports fans through Hicks Sports Group Properties -- the Dallas Stars and American Airlines Center; the Texas Rangers and Rangers Ballpark in Arlington; Liverpool Football Club, eight Dr Pepper StarCenters; and the Mesquite Championship Rodeo. The cross-promotion opportunities are extraordinary and unlimited.

Hicks Sports Group is spreading its wings even further with the addition of the spectacular Glorypark, a 250-acre, $600 million development of retail, restaurants & clubs, live entertainment, residential, hotel and office space being built between Rangers Ballpark in Arlington and the new Dallas Cowboys stadium. The "branded city" will enable HSMG to connect brands to fans between games better than ever.

Phase one of Glorypark is scheduled to open in October 2009. The 81 Rangers home games, combined with the Cowboys games are expected to draw over three million fans to the area per year, not including other events held at the venues. Glorypark has been designed as a destination where fans, friends and families live, work, shop, dine and play all between two of the greatest sports venues in the world. The Glorypark experience promises to be spectacular and sponsors are in on the fun thanks to HSMG.

Drawing on the wealth of experience in operating three professional sports teams, HSMG is able to run myriad of different sporting events for clients, making an entire operation turnkey. Brand-to-fan recognition at these special events delivers extra visibility in an atmosphere that maximizes brand presence.

HSMG ran the Cuervo Gold Crown Dallas Open as part of the AVP Pro Beach Volleyball Tour in April, 2007, in Arlington, handling all aspects of the operation including ticket sales, media relations, concessions, and even bringing in the sand. HSMG has been retained by the organizers of Wellstone's Dallas White Rock Marathon, one of the nation's premier running events, to handle marketing, advertising, corporate sponsorship sales and media/public relations. The event will be held on December 9, 2007, beginning and ending at American Airlines Center.

HSMG acts as corporate consultants on everything from broadening brand reach to tightening branding budgets. The organization's goal is to be an invaluable resource for marketers seeking brand-to-fan connection, wherever they wish to make it.

It is HSMG's belief that sports branding is not about quantity, but about quality. HSMG is committed to delivering top-notch service in the sports industry to clients who wish to grow their brand.

American Airlines Center

Since opening in July 2001, the American Airlines Center has set a new standard for sports and entertainment and has become the premier venue of the South. It's grand complex with sweeping vistas and inviting passages comprise five concourses, 142 luxury suites, two 50 person "party" suites, and room for 18,532 hockey fans.

Designed by world-renowned architect David M. Schwarz and Dallas based HKS, Inc., the American Airlines Center is a combination of traditional architecture and hi-tech wizardry. Outside, the signature arches are warm and inviting, inside; the retractable seating brings the bowl in closer to the action, allowing fans a more intimate experience and exceptional sight lines.

Through July 2007, its sixth anniversary, American Airlines Center hosted more than 14 million guests at over 1200 sporting and entertainment events. Over 70 musical artists have performed including sold out performances from The Rolling Stones, Eagles, U2, Paul McCartney, The Police, Billy Joel, Elton John, Fleetwood Mac, Eric Clapton, George Strait, Bruce Springsteen and Usher, to name a few. It has also hosted family shows such as The Texas Stampede, Disney on Ice, Stars on Ice, Champions on Ice, Ringling Bros. And Barnum & Bailey, Freestyle Motocross, and Harlem Globetrotters. World Wrestling Entertainment has become a frequent guest at the Center, producing Monday Night RAW, Smackdown and Saturday Night Main Event televised nationally on NBC. The American Airlines Center has been no stranger to major sporting events. In addition to the Dallas Stars, Dallas Mavericks and Dallas Desperados, The Center has hosted The 2002 & 2006 NCAA 1st and 2nd Round Men's Basketball Tournaments, The Phillips 66 2003, 2004, & 2006 Men's Big 12 Basketball Tournaments, The 2003 U.S. Figure Skating Championships and other events such as Boxing and Ultimate Fighting. The Center enjoyed hosting the 2006 NBA Finals and is looking forward to hosting the 2007 NHL All-Star Game.

American Airlines Center was designed to keep hockey ice in perfect condition even when the Texas heat blazes outside. To maintain a constant temperature of 64-68 degrees, the building has a separate chiller system just for the slab, eight miles of one-inch pipe and 320 tons of refrigeration. In addition, a 3,600-ton air-conditioning system and a dehumidification system extract 500 gallons of mois-

ture per hour during the season. The ice is put into place each September and takes 24 hours to build up to the 1-inch depth the players are accustomed to. The ice stays in the Center until the playoffs are complete and is covered up during the season with a special material called, Ice Deck, a fiberglass product that keeps the ice cold and allows the air temperature above to rise without affecting the ice. Recently, the Zamboni was retrofitted with a Fast Ice system, the latest technology that allows the ice maintenance crew to cut the ice quickly in order to keep the ice smooth and fast.

This technology also helps with quicker conversion between basketball and hockey thanks to the most sophisticated retractable seating system ever designed for a sports and entertainment venue. It's a patented design that allows conversion from an ice rink to a basketball court or concert setting in less than three hours.

Fans with disabilities will find 524 accessible seats inside the venue and that all common areas, vendor spaces, retail stores and restaurants follow federal and state requirements for accessibility. Every luxury suite is accessible as are all 20 family restrooms.

American Airlines Center continues to be a leading facility nationally in the area of minority opportunities. After an agreement between team owners and the city to include at least 26 percent representation of minority contractors in building the facility, the project achieved what is believed to be a national-record of 34.5 percent Minority and Women Business Enterprise (M/WBE) participation– earning the operators the highest recognition from the U.S. Department of Commerce for excellence in their M/WBE programs. The Center continues its commitment to M/WBE firms by continuing to exceed the 26 percent goal for its day-to-day operational use.

American Airlines Center strives to be the best live entertainment and sporting venue in the south. For more information on the events or media information visit our website at www.americanairlinescenter.com or e-mail us at marketing@americanairlinescenter.com.

Dr Pepper StarCenters

Since moving to North Texas prior to the 1993-94 NHL season, the Dallas Stars have made it an organizational priority to expose the Dallas/Fort Worth Metroplex to hockey, and have done so by operating eight Dr Pepper StarCenters throughout the area.

In the summer of 2003, the Stars moved their corporate offices and team practice facility to the Frisco Dr Pepper StarCenter. In November 2004, the Stars opened the Dr Pepper StarCenter and Conference Center in Farmers Branch, bringing the total to eight facilities and 15 sheets of ice.

The flagship facility in Frisco not only serves as the training site for the Stars, but the facility is also the home to the Texas Tornado of the North American Hockey League. Like other Dr Pepper StarCenters, it is also utilized for youth, high school and adult hockey leagues, figure skating training and competitions and public skating.

The 211,000 square-foot facility includes more than 15,000 square feet for the team's locker room and workout & rehabilitation area and another 25,000 square feet of offices for the Dallas Stars. It also includes two NHL-size sheets of ice, eight team locker rooms, an arena with approximately 3,700 seats, and a 3,500 square-foot StarStuff store. Playing in the North American Hockey League, the Tornado won three consecutive Robertson Cup championships from 2004-2006 and routinely place players on successful Division I collegiate hockey programs. In fact, Dallas native Austin Smith was chosen by the Stars in the fifth round of the 2007 Entry Draft.

"The first step toward having a championship team is making sure they have the best training facility available," said Stars owner Thomas O. Hicks. "The Stars have achieved that goal in Frisco and we hope that the quality of the facility will help to lure potential players in the future."

The Dallas Stars are one of the few teams in the NHL to design and build their own practice facility and arena. The team also sets the pace in the NHL among clubs that form partnerships with communities to create public skating facilities, a trend which is picking up momentum around the league. The facility in Farmers Branch was built in partnership with that city, as were the facilities in Euless and Duncanville. The Stars also have facilities in Grapevine, Irving and two in Plano, one of which is a youth-only facility built in partnership with the non-profit Plano Sports Authority.

When the Stars moved to town more than 13 years ago, there were five total sheets of ice in the area (two of which were at shopping malls and didn't host any sort of hockey). There were no high school or traveling hockey teams and only 250 local children playing the sport. In addition, there were only 225 adults playing in recreational leagues.

Heading into the 2007-2008 season, there are now more than 8,000 North Texas kids and adults playing hockey on 23 sheets of ice in the area, including nearly 70 high school hockey teams.

THOMAS O. HICKS CHAIRMAN OF THE BOARD & OWNER

Thomas O. Hicks has established himself as one of the premier sports owners in the world. Hicks' passion for sports runs deep, and it shows in his dedication to excellence among his family's sports assets – the Dallas Stars, the Texas Rangers of Major League Baseball, Liverpool Football Club of the English Premier League, and the Mesquite Championship Rodeo.

His tenure as owner of the Dallas Stars includes seven Division Championships, three Western Conference regular season crowns, two Presidents' Trophies as the team with the best regular season record, two consecutive trips to the Stanley Cup Finals and the 1999 Stanley Cup Championship. The Stars have the second-best record in the entire NHL over his 12 seasons as owner. Contracted to purchase the hockey club in December 1995, Hicks serves as the Stars' Chairman of the Board and was recently elected Vice Chairman for the NHL Board of Governors. He also played an instrumental role in the development and planning of American Airlines Center, as well as the hosting of the 2007 NHL All-Star Celebration.

Mr. Hicks' has always been an owner that Stars fans can rely on to give management everything it needs to build a winning hockey club. He has played an integral role in the pursuit and acquisition of a number of premier players for the Stars from day one of ownership. Hicks' influence allowed the Stars to trade for Joe Nieuwendyk, who eventually won the Conn Smythe Trophy as Playoff MVP during Dallas' Stanley Cup title season of 1999. He played a significant role in bringing Ed Belfour and Brett Hull, both major contributors on the Stars' Cup-winning team, to Dallas as free agents. Hicks is a strong supporter of his hockey management staff and has clearly been the driving force in the Stars' commitment to remaining among the NHL's elite.

Mr. Hicks, 61, is Chairman and Chief Executive Officer of Hicks Holdings LLC, a holding company for the Thomas and Cinda Hicks family's sports, real estate and other assets and investments. He recently created Hicks Sports Marketing Group (HSMG), which was established in June 2006 to enhance the sponsorship sales efforts of the Dallas Stars, Texas Rangers, Liverpool Football Club and Mesquite Championship Rodeo. HSMG acts as a full-service sports marketing agency, specializing in corporate consulting, the buying and selling of advertising and sponsorships, strategic branding and marketing, athlete and client representation and real estate development. HSMG serves as the sales and marketing arm to Glorypark, a 1.5-million square foot multi-use development being built adjacent to Rangers Ballpark in Arlington.

Along with Liverpool FC co-owner George Gillett of the Montreal Canadiens, Hicks is spearheading the conception, design and construction of an 80,000-seat, $700 million, state-of-the-art stadium for the football club. Hicks Sports Marketing Group will be heavily involved in the sales and marketing of the new stadium.

Hicks Holdings' majority-owned corporate holdings include DirecPath, a company formed to provide bundled DIRECTV programming, broadband voice and data services, security and other locally based services to multiple dwelling units (MDU) across the United States; Latrobe Speciality Steel, a leading manufacturer and distributor of specialty steel to the aerospace industry; Ocular LCD, Inc., a leading designer, manufacturer and marketer of high-performance liquid crystal displays, modules and systems; Berkshire Resources, LLC, a gas and oil exploration and development company, and Grupo Pilar, a leading animal and pet food company in Argentina. In addition, Hicks Holdings, along with Investcorp, is an investor in Greatwide Logistics Services, a leading third party logistics services company based in Dallas. Hicks Holdings also recently acquired a forty-percent stake in SafeMed Inc., an emerging leader in clinical decision support systems.

Previously, Mr. Hicks co-founded, and was Chairman from 1989 through 2004, of Hicks, Muse, Tate & Furst, a nationally prominent private equity firm that specialized in leveraged acquisitions. During Mr. Hicks' tenure as Chairman, Hicks Muse successfully raised over $12 billion of private equity funds, consummated over $50 billion of leveraged acquisitions, and was one of the most active private investment firms in the country.

In June of 1998, Mr. Hicks became the Chairman and Owner of the Texas Rangers Baseball Club of the Major League Baseball's American League. Under his ownership, the Rangers won the American League West Division crown in both 1998 and 1999. He also serves on the Board of Directors of MLB Advanced Media, the internet-based subsidiary of Major League Baseball.

Mr. Hicks serves on the boards of directors of the Cotton Bowl Athletic Association, Crow Family Holdings, as well as The Center for Strategic and International Studies Board of Trustees, the University of Southern California Marshall School of Business Dean's Board of Advisors, the University of Texas Southwestern Medical Foundation Board of Trustees, and the University of Texas Chancellor's Council. A former member of the University of Texas System Board of Regents, Hicks has served as Chairman of the University of Texas Investment Management Company, (UTIMCO) which manages the $20 billion University of Texas Permanent University Fund and Long Term Funds.

Graduating with an MBA from the University of Southern California in 1970 and a BBA from the University of Texas in 1968, Mr. Hicks serves as a "Distinguished Guest Lecturer" at Stanford University's Graduate School of Business.

With strong ties to the community, he has provided continuing support to numerous local organizations, and has also held various charity board memberships. Mr. Hicks was the 1996 co-chair of the Dallas Jewish Coalition for the Homeless "Vogel Alcove" project, and was honored as the recipient of the 2000 Henry Cohn Humanitarian Award for the Anti-Defamation League. He has also been a past recipient of the Father of the Year Award.

The father of six children, Mr. Hicks and his wife Cinda reside in Dallas.

JAMES R. LITES PRESIDENT

As President of the Dallas Stars in each of the club's 14 years in North Texas, Jim Lites has been instrumental in building the Stars organization into one of the most respected and successful in the National Hockey League, on and off the ice.

Lites was originally named President and Alternate Governor of the Dallas Stars on June 9, 1993, and in that role, oversees all aspects of the Dallas Stars organization, including finances, marketing, advertising, public relations, promotions, ticket sales, budget development and broadcasting agreements.

Having earned a reputation as one of the finest administrators in hockey, Lites, 54, is an influential member of the NHL's Board of Governors and he has been on the league's board for 24 consecutive seasons. He is now one of the longest-tenured board members, having served at different times on the NHL's broadcast, expansion, marketing, game and executive committees. Lites is currently serving in an advisory capacity to the NHL's Marketing Committee, and he is also Chair of the Dallas Stars Foundation.

Since he first joined the Stars, the team has won seven Division Championships, three Western Conference regular season crowns, two Presidents' Trophies and has made two appearances in the Stanley Cup Finals, including winning the 1999 Stanley Cup. Lites was also instrumental in the club landing and hosting the 2007 NHL All-Star Celebration. Under Lites' guidance, the club has created and expanded its successful Dr Pepper StarCenter chain to eight locations throughout the Dallas-Fort Worth Metroplex, and he played an active role in the original conception, design, sales and marketing efforts of American Airlines Center. He presently represents the Stars on the American Airlines Center's management board.

Lites currently serves as President of Hicks Sports Marketing Group, which was established in June 2006 to enhance the sponsorship sales efforts of the Dallas Stars, Texas Rangers, Liverpool Football Club and Mesquite Championship Rodeo. HSMG acts as a full-service sports marketing agency, specializing in corporate consulting, the buying and selling of advertising and sponsorships, strategic branding and marketing, athlete and client representation and real estate development. HSMG also serves as the sales and marketing arm to Glory Park, a 1.5-million square foot Multi-use Development being built adjacent to the Rangers Ballpark in Arlington. HSMG has also developed sales and marketing relationships with the AVP professional beach volleyball tour, the expansive Craig Ranch development in McKinney, Texas, and the Wellstone Dallas White Rock Marathon.

Lites is also currently advising the conception, design and construction of a 75,000-seat, $800 million, state-of-the-art stadium for Liverpool FC of the English Premier League, the newest addition to Mr. Thomas O. Hicks' sports holdings. Lites and the Hicks Sports Marketing Group will be heavily involved in the sales and marketing of the new stadium.

Lites was President of the Texas Rangers of Major League Baseball for four seasons from 1999-2002, becoming one of four executives in professional sports to head the front office of more than one organization. He was on the Major League Baseball Board of Governors for three years, and had the same responsibilities with the Rangers that he had with the Stars.

From March through December of 2002, Lites was President and Chief Operating Officer of the Phoenix Coyotes, The Glendale Arena Management Group, LLC, and Coyotes Charities. In these capacities, he oversaw all business operations of the Phoenix organization, and was also instrumental in the design and groundbreaking of Glendale Arena, and in the increase of sponsorship and season ticket sales for the team.

Prior to joining the Stars in 1993, Lites served 11 years as Executive Vice President of the Detroit Red Wings, who during his stint won three Norris Division Championships and two Norris Division Playoff Championships, after having missed the playoffs in 10 of the 11 seasons before his hiring. During his tenure, the Red Wings were named by Financial World magazine as the most valuable franchise in the NHL for four consecutive years (1990-1993). Lites was also instrumental in the defection of former Soviet stars Sergei Fedorov, Vyacheslav Kozlov and Vladimir Konstantinov, each of whom played integral roles in the Red Wings' record-setting and Stanley Cup Champion hockey clubs.

While with Detroit, Lites also served as Chief Operating Officer of Olympia Arenas, Inc., one of the Midwest's largest facility management companies. He was responsible for the redevelopment of Detroit's historic Fox Theatre, now the most successful entertainment venue of its type in the United States and the cornerstone of Detroit's growing northside sports, entertainment and gaming complexes.

Born and raised in Pentwater, Michigan, Lites received a Bachelor of Arts degree with highest honors from the University of Michigan in 1975 and graduated cum laude from Wayne State (MI) University Law School in 1978. He specialized in litigation and labor contract negotiations during his years practicing law.

DOUG ARMSTRONG GENERAL MANAGER

Hired: January 25, 2002 **Birthdate: September 24, 1964**

Doug Armstrong begins his sixth full season as general manager for the Dallas Stars and is entering his 17th year with the organization.

Over his tenure as general manager since being appointed to the position on January 25, 2002, Dallas has earned the third-most regular season points in the National Hockey League (427), the third-most wins (190) and the second-most home wins (110) and home points (240). Only Detroit and Ottawa have more points and wins over that time span and only the Red Wings have more home wins. Additionally, the Stars have won two Pacific Division championships over his four seasons with those coming in 2002-03 and in 2005-06, and have qualified for the playoffs all four campaigns.

Serving as special advisor to Steve Yzerman for Team Canada at the 2007 World Championships in Moscow, Armstrong participated in Canada's run to winning the gold medal. Canada went 9-0 during the tournament for the first time since 1937 when the World Championships were held in London, England.

Armstrong has been a member of the Stars organization in each of the club's 14 years in Dallas and has helped lead the franchise to two President's Trophies, two Western Conference titles and the 1999 Stanley Cup championship.

Through his first 360 games as general manager, Armstrong has helped the Stars post a 183-109-48 record for a .609 points percentage. Of the other six general managers in team history, nobody comes close to his record through their first 360 games.

As a result of his shrewd and creative management of the club's roster and the salary cap that the league instituted prior to the 2005-06 season, Armstrong earned a three-year contract extension from Stars owner Thomas O. Hicks on July 25, 2006. Armstrong's previous contract was set to expire at the conclusion of the 2007-2008 season, but his three-year extension secures his place as the club's general manager through the 2010-2011 NHL season.

Armstrong has helped retain a strong core of players despite the new economic system in place, signing Sergei Zubov to a one-year extension on July 1, 2007, signing captain Brenden Morrow to a six-year extension on September 21, 2006, inking Jere Lehtinen to a two-year extension on September 16, 2006, signing Philippe Boucher to a three-year extension on March 3, 2006 and getting Marty Turco under contract for a four-year extension on January 5, 2006. He has also added free agent pieces by signing Jeff Halpern on July 5, 2006 and acquired defensive help by trading for Mattias Norstrom on February 27, 2007. In keeping an eye on the club's future as well as the present, Armstrong has acquired the fourth-most draft selections in the first three rounds over the past six seasons.

Prior to being named the team's seventh general manager, Armstrong served nine years as the assistant general manager under Bob Gainey. As Gainey's assistant, Armstrong worked on contract negotiations and season scheduling, and handled the day-to-day operations of the hockey department.

A native of Sarnia, Ontario, Armstrong is the son of NHL Hall of Fame linesman Neil Armstrong who was inducted into the Hall of Fame in 1991. Armstrong and his wife Kelly, son Blake, and daughter Kayla, live in Coppell.

LES JACKSON ASSISTANT GENERAL MANAGER

Prior to joining the Thrashers in September of 1998, Jackson, 54, spent 13 years with the Stars' organization, serving in a variety of roles, including assistant general manager from 1993-98. Jackson was drafted by the Boston Bruins in 1972 and played two seasons in the minors, then began his career as a hockey executive. His minor pro coaching career included stints in Billings, Mont.; Tucson, Ariz.; New Westminster, B.C.; Revelstoke, B.C.; and Great Falls, Mont. He also spent five seasons as assistant coach and general manager of the Western Hockey League's Brandon Wheat Kings.

A native of Manning, Alberta, Jackson resides in Coppell and has three sons, Brock, Drake and Reid.

DAVE ALLISON — HEAD COACH

Dave Allison was hired as the first head coach in Iowa Stars history on May 26, 2005, and led the club to a 41-31-1-7 record and a berth the Calder Cup Playoffs in its inaugural season. Under Allison's leadership in 2006-07, Iowa went 42-34-4 and reached the second round of the AHL Playoffs.

He joined the Stars from the Borderland Thunder of the Superior International Junior Hockey League (SIJHL), where he was head coach for the past three seasons, cumulating an 87-44-11-6 record (.645) in his hometown of Fort Frances, Ontario.

Allison has been a part of four expansion franchises in his career: Albany in the IHL, 1990; Grand Rapids in the IHL, 1996; Fort Wayne in the UHL, 1999, and was named Coach of the Year in the ECHL in 1989-90 with Virginia, earning a record of 36-19-6. Players of note that he has developed and coached include Pavol Demitra, Chris Gratton, Brett Lindros, Chad Kilger and Ville Peltonen, among others.

A veteran of 10 seasons as a defenseman in the pros, spent mostly with the development affiliates of three of the most successful organizations in hockey -- the Montreal Canadiens, the Edmonton Oilers and the Toronto Maple Leafs. He won the Turner Cup in 1987 with Muskegon as a player assistant and served as captain for Halifax in 1988-89. Allison served as interim head coach for the NHL's Ottawa Senators for 25 games in 1995-96.

PAUL JERRARD — ASSISTANT COACH

Paul Jerrard was hired as assistant coach on June 14, 2005 and has helped guide the Stars to the Calder Cup Playoffs in both of their seasons of existence. Jerrard boasts a decade of coaching experience, including two years as an assistant with the Hershey Bears prior to coming to Iowa.

He served as the Colorado Avalanche's assistant coach responsible for video during the 2002-03 NHL season, and coached for four years at his alma mater, Lake Superior State University, and one season as assistant coach with the Lowell Lock Monsters (AHL).

Jerrard spent 10 years as a defenseman in professional hockey, having been drafted by the New York Rangers in the ninth round (173rd overall) of the 1983 Entry Draft. He was traded to the Minnesota North Stars in October, 1988, and skated in five games for Minnesota during the 1988-89 NHL season. He played parts of six seasons with the Stars' then-primary affiliate in Kalamazoo (IHL) and was a member of the 1997 Calder Cup-winning Hershey Bears.

A native of Winnipeg, Manitoba, Jerrard graduated from Lake Superior State in 1987 with a degree in recreational management, with a minor in business administration. Jerrard has earned his strength and conditioning certification and is a member of the National Strength Coaches Association (NSCA).

SCOTT WHITE — DIRECTOR, HOCKEY OPERATIONS

Scott White was hired as Iowa's director of hockey operations on May 26, 2005, joining the Stars organization after four seasons as head coach of the Columbia Inferno of the ECHL. He has been instrumental in the club's success in its first two years of existence, and he also serves a key role in the Dallas Stars' scouting efforts as a professional scout.

In Columbia, White was responsible for all of the club's hockey operation activities, including recruiting, scouting, trades and roster moves. White served as an assistant coach with the Greensboro Monarchs (ECHL) for a season and a half, and was an assistant coach at his alma mater, Michigan Tech University, from 1994-1999.

White played five years of professional hockey from 1989-1994, including three seasons with Greensboro, where he won the 1990 ECHL Championship and earned ECHL Defenseman of the Year and First-Team All-ECHL honors for the 1991-92 season. He signed with the NHL expansion Ottawa Senators in 1992 and played the entire season with the club's developmental affiliate in New Haven, capturing team MVP honors after scoring 54 points (10 goals, 44 assists) in 80 games. The Quebec native finished his professional career with 235 points (55 goals, 180 assists) in 190 regular season games and 40 points (8 goals, 32 assists) in 41 playoff games.

Both of Idaho's championships have come as a Dallas Stars development affiliate.

Idaho has never missed the Kelly Cup Playoffs in its first four seasons of existence, and the Steelheads are 33-18 all-time in Kelly Cup Playoff games with an ECHL-best .647 postseason winning percentage.

During the 2006-07 regular season, Idaho was 42-24-6 and finished fourth in the National Conference, and sixth in the league with 90 points. After defeating fifth-seeded Stockton in six games in the quarterfinals, Idaho upset Las Vegas, which finished first in the ECHL at 46-12-14 and 106 points, in six games in the semifinals. The Steelheads then upset defending Kelly Cup champion Alaska in five games to reach the Kelly Cup Finals vs. Dayton. STARS VS. SABRES: DID YOU KNOW?

The Stars defeated the Sabres in six games in the 1999 Stanley Cup Finals to clinch the franchise's first and only championship. The series featured two overtime contests, including Game Six, which ended 14:51 into the third overtime as Brett Hull scored on Dominik Hasek to clinch the Cup. The current Stars remaining from that team are Mike Modano, Jere Lehtinen and Sergei Zubov. Current Star Stu Barnes was a member of that Buffalo squad.

On October 14, 1995, the Stars set a franchise record for the fastest three goals in a game, scoring three times in 44 seconds of the final minute of the third period to cap an exciting 6-5 comeback victory over Boston at Reunion Arena. Trailing 5-3, Kevin Hatcher banged home a rebound at 19:11 of the third period to pull the Stars within one goal. At the 19:44 mark, Mike Modano fired a wrist shot past Bruins' goalie Craig Billington to even the score at 5-5. On the ensuing face-off, Mike Kennedy hustled to the corner to Billington's left, dug the puck loose and sent a centering pass to Guy Carbonneau, who fired the puck past Billington at 19:55 for the win. According to the Elias Sports Bureau, it is the only game in NHL history that a team trailed by two goals in the final minute of the game and came back to score three goals and win the game in regulation.

#7 NEAL BROTEN 1981-97

Neal Broten finished his NHL career as the most decorated player ever born in the United States. As early as high school he was a champion, taking Roseau High School to three Minnesota State High School Hockey Tournaments. He would go on to lead the University of Minnesota to the 1979 NCAA Championship and was awarded the first-ever Hobey Baker Award as the nation's top collegiate hockey player in 1981. Broten entered history in 1980 as he helped the "Miracle on Ice" U.S. Olympic team win the gold-medal. He was the last member of that squad to play in the NHL.

Broten, fittingly, scored his first career NHL goal in his first career NHL game with the Minnesota North Stars on March 31, 1981 vs. St. Louis. In his first full season, 1981-82, he was named the franchise's Rookie of the Year after setting team records that still stand for most goals, assists and points by a rookie (38-60-98). Sixteen seasons later, Broten retired as the club's all-time leader in games played (992), assists (593) and points (867) and is fourth in team annals in goals (274). The team's Most Valuable Player in 1984 and 1986, Broten participated in the NHL All-Star Game in 1983 and 1986. In that 1985-86 campaign, he became the first American-born player to record 100 points (105) and set the current club mark for assists in a season with 76.

Moving with the team to Texas in 1993, Broten scored the first-ever goal in Dallas Stars history on October 5, 1993 against Detroit. He was dealt by the Stars to New Jersey in February of 1995, where he achieved his remaining goal. Having been to the Stanley Cup Finals twice before with the Stars (1981,1991), he played an instrumental role in the Devils' Stanley Cup victory in 1995, finishing second on that championship club with 19 points (7-12-19) in 20 playoff contests. Broten began the 1996-97 season with New Jersey, and had a brief stint with Los Angeles before the Stars reacquired him off waivers on January 28, 1997. Finishing the season with Dallas, Broten totaled 923 points for his career, the second-highest point total ever for an American-born player behind only Joe Mullen (1,063).

In June of 1996, Broten was honored with USA Hockey's Distinguished Achievement Award and in April of 1997 he was named to the All-Time USA Hockey First Team. In addition, he was selected as USA Hockey's Player of the Decade for 1976-77 to 1985-86 and in the Summer of 1997 was named a recipient of the Lester Patrick Award for outstanding service to hockey in the United States, one of only two players (Ken Morrow) to win the Award twice, having won it the first time as a member of the 1980 gold medal USA team. Broten's number seven was retired by the Stars on February 7, 1998 and he was inducted into the U.S. Hockey Hall of Fame in 2000.

#19 BILL MASTERTON 1967-68

Bill Masterton was a member of the Minnesota North Stars inaugural NHL team in 1967-68. He played two seasons of professional hockey for Hull-Ottawa of the EPHL in 1961-62 and Cleveland of the American Hockey League in 1962-63. The North Stars retired Masterton's jersey number in memory of the only professional hockey player to lose his life because of an injury suffered during an NHL game. Masterton hit the back of his head on the ice on January 13, 1968 against Oakland, and passed away two days later. The North Stars named the Bill Masterton Memorial Cup Award in his memory, presenting it to the North Stars player voted most valuable by his teammates during the season. Masterton's number 19 has never been worn by another North Star and was retired on January 17, 1987.

#8 BILL GOLDSWORTHY 1967-77

Bill Goldsworthy started his career as a North Star in 1967 when Minnesota selected him from Boston in the 1967 expansion draft. He made his name with the North Stars through goal-scoring and the invention of the Goldy Shuffle. Goldsworthy set marks throughout his career, becoming the first player from a post-1967 team to score 200 goals and the first to score 250. In 1971, Goldsworthy became the team's leading scorer and goal scorer, a mark he held for over a decade. His 48-goal season in 1973-74 was the best ever by a North Star until 1981-82 and he averaged over 30 goals a year during his Stars career. In 1976, Goldsworthy became the first North Star ever to reach the 500-point plateau. In 670 games with Minnesota, he totalled 267 goals, 239 assists for 506 points. Goldsworthy's number eight was retired on February 15, 1992.

It will turn into Dallas Parkway and you will see the IKEA and the Frisco RoughRiders baseball stadium on the right. Turn right on Gaylord and the Frisco Dr Pepper StarCenter will be on your right-hand side.

PRESS CREDENTIALS: Press Box seating is assigned for each game. Requests for Daily Passes will be issued on a priority basis to media on specific assignments only, and **requests must be submitted in writing (e-mail or fax) on company letterhead no later than 5 p.m. the day before a home game.** The fax number for the media relations department is 214-387-5564. The press entrance is located on the west side of American Airlines Center, and you must show identification when you pick up your passes. **All media must visibly wear their credentials for all Stars' home games.**

PARKING: Media parking is available in Lot F on the north side of American Airlines Center. If you have a media parking pass, that pass will be your entrance to Lot F. If using a single-game credential, your name will be left on a list with the lot attendant if you have called ahead to the media relations department.

INTERVIEWS: The best time to conduct interviews on gamedays is after the morning skate. All NHL locker rooms are closed for, at the most, 5 minutes after the game. The training room at the Dr Pepper StarCenter and American Airlines Center is closed to the media at all times. Any player (with the exception of goaltenders) may be pre-taped before a game as long as the interview is completed 95 minutes before game time.

Practices: The recommended time for media to interview Stars players is after practice. Unless a team meeting is called, the team locker room will be open no later than 5 minutes after the first player leaves the ice, or earlier if deemed by the Stars media relations department. Requests for interviews to be conducted at a location other than the StarCenter must be cleared through the Stars media relations department.

Broadcast and live shots: All player requests for that night's broadcast or live shots must be arranged prior to the end of the Stars' morning skate on the day of a game (11 a.m.). Players will not be available for broadcast or live shots after 6:00 p.m. for a 7:30 p.m. game or after 5:30 p.m. for a 7:00 p.m. game.

Head coach interviews: Stars head coach Dave Tippett will meet with the media after each game in the interview room across from the Stars' locker room.

DINING FACILITIES: The Media Dining Room is located on the west side of the event level of American Airlines Center. RBK Edge Uniform System

The National Hockey League and Reebok have teamed to create the Rbk EDGE Uniform System™ to meet the performance demands of today's NHL player. The result of more than two years of research and testing, the system features technologically advanced materials and fabrics that are more breathable, more water-resistant, more comfortable and more compatible with equipment.

The Rbk EDGE Uniform System will be worn by all 30 NHL teams in their respective colors and designs. The introduction of this system for the 2007-08 season marks the first time in the history of North American professional sports that a uniform innovation has been implemented League-wide.

The Dallas Stars Foundation was established to serve as a positive force throughout the Dallas/Fort Worth Metroplex. The Foundation focuses its efforts on providing support to the children of the community so they may lead quality lives and develop into contributing members of society. Through teamwork, interaction, and education, the Dallas Stars Foundation works to bring together all members of the Metroplex and build a bright future for today's youth.

GRANTS AND SCHOLARSHIPS

The mission of the Dallas Stars Foundation focuses its efforts on supporting children's charities and youth program implementation. Since 1999, the Dallas Stars Foundation has distributed over two million dollars to many worthwhile organizations. The Foundation provides grants to a myriad of worthy causes which include, but are not limited to, support for medical needs, providing safe havens for abused children or crusading against illiteracy.

The Dallas Stars created the Junior Stars Scholarship in 1997 to promote sportsmanship and academics as part of the hockey experience. When selecting scholarship recipients, the Stars look for individuals who exhibit strong academic performance in school, involvement in extracurricular and/or community activities, financial need and exemplary conduct during practices, games and competitions. Perspective applicants must be enrolled in the Junior Stars program for the current season at a Metroplex Dr Pepper StarCenter. Additionally, each spring, the Bob Gainey Honorary Scholarship is awarded to a deserving Metroplex high school senior who not only exhibits exemplary leadership skills, but has excelled in both the classroom and on the athletic field.

Organizations can apply to become part of the community tickets program through the Dallas Stars website, and there is no application deadline, it's a rolling enrollment.

THE M CLUB

The M Club is an extension of the community tickets program in which Dallas Stars and NHL All-Star Goaltender Marty Turco has generously donated 35 season tickets to the Dallas Stars Foundation to distribute to local children's groups so they are able to experience a Dallas Stars hockey game at the American Airlines Center. Hundreds of children have been able to enjoy Dallas Stars games through Turco's generosity, and thanks to Marty, that winning tradition will continue.

HALPERN'S HOMETOWN HEROES

When Dallas Stars #11 Jeff Halpern arrived in Dallas, he immediately outreached to his new community and donated lower bowl season tickets to area wounded military personnel, and families of fallen soldiers. Through Jeff's generosity the Dallas Stars were able to provide tickets to the wounded and disabled veteran community so they could enjoy Dallas Stars hockey.

HOLIDAY PROGRAMS

HOSPITAL VISITS

Every year, the Dallas Stars strive to spread a little holiday cheer with their annual hospital visits. This year the players broke up into two groups, one group headed to Cooks Children's Medical Center of Fort Worth, and the other went to Children's Medical City of Dallas. The team visited with children, signed autographs, handed out teddy bears and helped raise spirits. Patients were eager to talk sports and thanks to the Dallas Stars, they were able to forget their troubles for a short while.

WIVES HOLIDAY TRADITION

The wives of the Dallas Stars players and coaches spread a little cheer of their own during the holiday season. In a effort to recognize the important work of the North Texas Food Bank's (NTFB) Kids Cafe program, the wives and children from a local Kids Cafe baked and decorated holiday gingerbread cookies. The children, dressed in Dallas Stars jerseys given to them by the wives, were set up in teams with player wives, and each team participated in a gingerbread house decorating competition.

MYSTERY PUCK SALE

At the height of the holiday season, The Dallas Stars Foundation conducts its annual, highly anticipated mystery puck sale. Every Dallas Stars player participates in this overwhelmingly popular, fan favorite fundraiser. For a $30 donation to the Foundation, fans received an autographed puck from one of the Dallas Stars players. No one knows which player signed the puck until its unwrapped, and if the puck is signed in gold – that person just won a private meet and greet with the player who signed it!

EDUCATIONAL AND GRASSROOTS HOCKEY PROGRAMS

STICK WITH READING

The Dallas Stars Foundation established this cornerstone literacy program in 1998 to encourage kids to develop the habit of reading in their leisure time. Students record their extracurricular reading over an eight-week period for the chance to win great Stars incentive prizes. With the help of Dallas Stars Goaltender Marty Turco, who serves as the program's spokesman, the Stick with Reading program has reached hundreds of thousands kids across North Texas. With over 35,000 registered participants during the 2006-2007 season, Stick with Reading continues to be one of the most successful reading programs in the league.

NHL STREET STARS

The NHL has organized a league-wide street hockey program, NHL STREET, which provides schools and local community centers with an athletic and educational program free of charge. NHL StreetStars is a grassroots youth hockey program through which street hockey equipment and instruction are provided to local community centers. The NHL and the Dallas Stars provide sticks, rubber pucks, no-bounce balls, nets and protective goalie gear to each school/community center, as well as start-up street hockey instruction for coaching staff and administration. Through this program, the Dallas Stars and the NHL aim to not only make hockey more accessible to kids, but to also expand and diversify the NHL fan base. Through NHL Street, the NHL and the Dallas Stars hope to provide NHL team communities with a sports program that promotes education, sportsmanship and fitness through participation in hockey.

HIGH SCHOOL MEDIA DAY

This annual event allows high school journalism students the opportunity to get a behind the scenes look at the professional sports media industry. Participating students watch a Dallas Stars practice session and then attend a question and answer session featuring Dallas Stars players, professional broadcasters, and local media personalities. Each student is encouraged to write an article on the experience for his/her school newspaper and be eligible to sit in the AAC press box during a Dallas Stars home game. The winning writer will also have his or her article published on the Dallas Stars website.
